STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO   : Director of Training EYES ONLY   DATE: 2 June 1960

FROM   : Chief, School of International Communism

SUBJECT: Weekly Activities Report No. 22
         27 May - 2 June 1960

I. SIGNIFICANT ITEMS

        None to report.

II. OTHER ACTIVITIES

        1. [____] is participating this afternoon and tomorrow afternoon   25X1
in a DOB debriefing of [_____] - at the request of SR. Ap-   25X1
parently in this instance there is some legal loophole in the individual's
claim to [_____] and SR is calling upon [____] background as   25X1
a student of [_____] to establish the authenticity of this claim. I   25X1
am not at all clear as to how legal studies at Charles University some
decades ago is currently applicable, but hope to be able to clarify
this in next week's report.

        2. [_____] departure from the OTR scene has left a   25X1
significant gap in SIC's JOT program. His presentation of "The
Autobiography of a Communist Party Member" has always been an en-
thusiastically received highlight of the course - and has also been
very useful in both the CPO&O and ACO. We have come up with several
possibilities for a replacement. We are still planning to use [____]   25X1
and [____] at the end of the course - SR having assured us that for   25X1
more professional gatherings such as this [____] has shed his Chamber of 25X1
Commerce approach in favor of more realistic answers. In addition,
however, SR has a military officer who doubled as a CPSU member who
could provide us with some useful insights into CPSU-military relation-
ships - a subject of particular pertinence currently. The Polish
Desk has also come up with two interesting possibilities, one [____]   25X1
[_____] We plan to talk   25X1
with all of them and from this group select a replacement for [____]   25X1
If more than one fills the bill we may be able to fit an additional
session into the schedule.
